

Why We Give

I just wanted to let you know how much I appreciate the financial help that I receive from Pensions and Benefits USA each month. I am so relieved to receive my check and will never take for granted your generous giving. It was a great privilege for my husband and me to serve under the banner of the Church of the Nazarene.”

Your church's giving to the P&B Fund provides financial assistance to widows like this and to thousands of other active and retired ministers and church-employed laypersons. On behalf of them, thank you for your support!
