

Certified Language Interpretation

Help from Pensions and Benefits USA is now available to ministers and church employees in most languages via Certified Language International (CLI). For assistance:

1. Phone **888-888-4656** or email **help@pbusa.org** to request your language.
2. Our office will notify CLI, and an interpreter will join the call.

Interpretation and translation are available in more than 200 languages, and there is no charge. Your financial information is certified confidential.
