— for your —

## NAZARENE 403(B) RETIREMENT SAVINGS PLAN ACCOUNT

To assure account privacy, you will need to establish a personal identification number (PIN) before you can access information about your Nazarene 403(b) account at Fidelity Investments.

Your PIN must be at least six characters in length, and not more than twelve.

And it cannot be a sequential number (e.g., 123456) or repeating numbers (777777).

It cannot be your Social Security number or date of birth.

To increase security, your password should be a mix of letters and numbers, or all letters.

To establish or reset your PIN, you will need:

Your date of birth

Your ZIP code

A "Reset Pass Phrase" for additional security.

- You have the option of selecting from one of five categories:
1. The first name of your best friend from high school
  2. The name of your favorite restaurant
  3. The name of your first pet
  4. The model of your first car
  5. The name of the street where you grew up

To create your PIN for the first time, or to clear and reestablish your PIN if you have forgotten it...
