

How Your P&B Fund Giving Is Used

Contributions to the Nazarene Pensions and Benefits Fund by churches and districts provide retirement assistance, life insurance, benevolence, and more to almost 17,000 active and retired ministers, church-employed laypersons, spouses, and widows. Your giving helps provide:

- Monthly Basic Pension Plan payments to almost 5,000 retired ministers and widowed spouses;
- P&B contributions to the 403(b) Retirement Savings Plan accounts of thousands of eligible ministers, associate ministers, evangelists, church-employed laypersons, and district superintendents; and
- Premiums for the Pastors Life Insurance Plan and the Pensioners Death Benefit Plan

For the 31 years that I pastored in the Nazarene Church, we never missed paying our budget allotment on time. Now that we are retired, it is wonderful for us to be on the receiving end from your department.

Your faithful giving touches lives across the United States!

Just a note to you and your staff to thank you for helping me get the death benefits from Pensions in such a timely fashion. I appreciated the check. As you will know, this has been a very sad and stressful time after losing my husband of 53 years. Thank you so much for what you've done.

Giving to the P&B Fund makes it possible to assist ministers and their families in times of special need with:

- Emergency Medical Assistance;
- Temporary Monthly Disability Assistance; and
- Funeral Assistance

I would like to thank you and all those involved in helping us with the financial assistance for the medical expenses. With the gift we received from P&B, we were able to pay off one of the bills and relieve a little of the pressure on us.
