PREPARED BY PENSIONS AND BENEFITS USA

17001 Prairie Star Pkwy - Lenexa, KS 66220 - 888.888.4656 - pensions@nazarene.org

PURPOSE

2021 COMPENSATION REPORT

Pensions and Benefits USA is pleased to present this report on compensation statistics for ministers of the church's USA educational regions for the 2020 assembly year.

Along with providing general education and transparency, our hope in distributing these results is that local churches will consider the compensation packages of other pastors in their regions when working to offer equitable benefits to members of their staff.

You'll find more resources on compensation in our *Memos* series, as well as a compensation calculator under the "Resources" tab at pbusa.org.

We appreciate the work and support of our churches and pray that this information will serve as a stimulus to help congregations provide the best possible financial care for their servant leaders.

ABOUT THIS REPORT

This report was compiled by Nazarene Research Services from information collected in the 2020 Annual Pastor’s Report and the USA/Canada Region Supplement. It makes the following assumptions:

- Total Compensation = Salary and benefits (housing or parsonage fair rental, insurance, Social Security reimbursement, retirement contributions, etc.)
- All Staff Compensation = Pastor, associate, and support staff salaries and benefits.
- Standard Deviation = The amount above and below the mean that produces a range equal to 68% of the churches.

Please note that data for “Average Total Pastoral Compensation” come from the USA/Canada Region Supplement, while those of the “Average Percent of Church Income Used for All Staff” are drawn from the Annual Pastor’s Report (APR). Because the information is taken from separate reports, the numbers of churches vary.

If you have questions about ministerial compensation, visit pbusa.org, or contact us at pensions@nazarene.org or 888-888-4656.

A minister's life is a busy life. With caring for a congregation, preparing sermons, attending meetings, spending time with family, and sometimes working a second job, pastors have no time to waste. So, we won't waste yours.

Over the years, Pensions and Benefits has identified five basic financial situations for which every pastor should be prepared. They are:

- What happens when I get paid?
- What happens when I get sick?
- What happens if I become disabled?
- What happens if I die too soon?
- What happens if I live too long?

It's important that pastors understand how to be compensated properly to accommodate their unique tax status, that they prepare for emergencies with health, life, and disability insurance, and that they save for retirement. Our website (pbusa.org) is filled with resources offering guidance in matters such as these.

Also, Pensions and Benefits provides eligible ministers with complimentary life and disability insurance, as well as a 403(b) retirement plan with tax advantages now and in retirement. We even add supplemental payments (APS) to the accounts of ministers whose churches contribute to the P&B Fund.*

But most importantly, P&B is here for pastors—all the way from first assignment through retirement.

Got questions? Email pensions@nazarene.org or phone us at **888-888-4656**. We'll help with what you need to know.

*Certain conditions apply. See the *P&B-Provided Benefits Guide* for details.
